

MASTER SPELLERS FINALS 2021-22

The Master Spellers Grand Finale was conducted on the 1st of May 2022 at Nalanda International School, Vadodara. The qualified Finalists from each group appeared for final round (Spell The Word) that has been adapted from the popular USA Spelling Bee format.

Master Spellers is an enriching journey of vocabulary and language skills and it is our mission to make language learning fun. We have successfully completed the cycle for the year 2021-22 with more than 50 participating schools and excited to take this wondrous journey of words ahead year after year. The Prepbooks for every level are made with this aim and ensure that participants thoroughly enjoy the interesting rounds for each level. MasterClasses are also held before every level with a different set of Prepbooks to provide additional support and learning.

Master Spellers maintains complete transparency in the evaluation criteria and all results are solely based on the scores secured by the participants.

Master Spellers takes great pride and joy in announcing the WINNERS of MASTER SPELLERS 2021-22. Winners were awarded with trophies and certificates and the top three winners won gift vouchers for books.

We are confident that with the enriching learning that it offers, Master Spellers will soon be one of the most loved spelling bee platforms in the country.
